LOS ANGELES CONFIDENTIAL - HOLIDAY ISSUE 2007

To celebrate the the remodeling of her Malibu home -- designed by architect and *Prix de Rome* winner Frederick Fisher -- Tracy opened the doors and vista to some of LA's wealthiest and most elite, many of whom are devoted clients. While the sun set and champagne flowed, the chat was lively and mellow, and usually all about you know who.

Tracy and Tim Sullivan.

Laura Geller and Kelly Stone.

Kelly Stone and Raven Lyon.

Mary Logan and Alexandra Pakzad.

A view from above.

The fabulous sunset.
